FRUIT FEVER

Crank up the heat and get some burning hot wins in the super exciting Fruit Fever! Using static jackpots and re-spins, the key element of this game is the PowerSpin to raise the chances of a huge win.

Powerspins
After any winning payline, an automatic re-spin occurs to add more winning symbols, which occurs consecutively up to a maximum of 9 times for extra winning opportunities from a single spin.

Jackpots
The static jackpots are waiting for any lucky player who can hit winning Powerspins from 6 up to 9 times in a row, with a maximum jackpot of 750x!
