

LEOKAN

The beast within Leokan is ready to be unleashed anytime to fight off the dangerous foes in the jungle including piranhas and crocodiles in this 10 line slot that pays both ways.

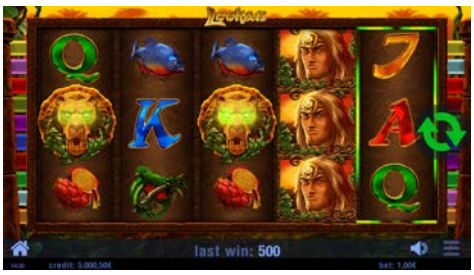

The mystical Leokan symbol is the real king of the jungle though and can trigger huge amounts of free spins in the bonus round to reward those who enter the depths of the jungle.

FEATURES

Stacked symbols

The base game features stacked symbols. A lucky spin with a full screen of symbols will secure a massive win across all 10 pay lines and give 1000x!

Bonus round

Up to 100 free games await the lucky holder of 5 Leokan symbols to offer huge wins, with 25 and 10 games awarded for 4 or 3 symbols respectively.
