

Power Fruits

Super charge the win lines and grab huge wins in Power Fruits! This game has a re-spin feature that keeps spinning the individual symbols to extend win lines and trigger the Feature Pick.

FEATURES

Each re-spin adds more and more to the Power Spins meter and unlocks the Feature Pick, where you can select a gem to uncover a hidden cash prize. If you secure enough re-spins you can trigger a jackpot bonus!

Trigger the bonus round with scatter symbols and land yourself some free spins, which has more Feature Pick rounds available to secure a massive win.
