

Sun Wind

Swintt's latest release, Sun Wind, takes you to Ancient Egypt, where Cleopatra and Pharaoh reward you with sky-high wins. This 5x3 video slot will take your players on a journey full of Sun Symbols, Wilds, Free Spins with Expanding Lucky Symbols and 5 fixed pay lines.

Land 3 Sun Symbols on the reel and enjoy for the very first time the Sun Re-Spin Feature, where all sums from the Sun Symbols are added up and multiply your bet. Every Sun Symbol landed during the Sun Feature resets the number of spins to 3 and increases your chances of big winnings. At least 3 Scatter Symbols trigger 10 Free Spins but they also function as the Wild Symbol to bring more excitement to your play. Once you get to Free Spins, selected Lucky Symbol can expand on whole reels and bring huge wins.

Be in the favour of the Sun God and enjoy the rewards!

FEATURES

SUN FEATURE:
3 or more Sun Symbols trigger Sun Feature, where Suns stick to the reel during the Sun Feature. Each new Sun resets the remaining spins to 3 and the Sun Feature ends if all Sun Spins are played, or all positions are filled with Sun Symbols. At the end of the Sun Feature, all Sun values are added up and the final number multiplies the bet to reveal the final win.

FREE SPINS:
3 or more Scatter Symbols trigger 10 Free Spins, during which 1 Lucky Symbol is randomly chosen. This Lucky Symbol can expand on whole reels during the Free Spins and pays on active paylines, even if they are not connected, if the minimum number of combinations is hit. Every Scatter landed during the Free Spins rewards an additional Free Spin.

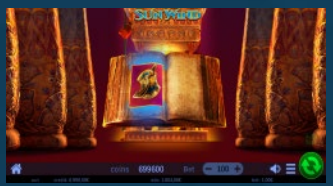

WILD FEATURE:
Scatter symbols are also functioning as Wild Symbols and substitute for all other symbols except Lucky Symbol.
