SWAP SYMBOLS:

On a random basis on a non-winning spin the Female Character will slash all low-paying symbols of a certain type with her katana and replace them with high-paying symbols.

EXPANDING WILD:

A WILD symbol that has landed on the middle position of the 2nd, 3rd or 4th reels has the chance to increase its size to a 3x3 MEGA WILD. Both robots enter the WILD and enlarge its size. Only one WILD symbol can expand in the same round.

SHIFT REELS:

Green Robot will shift the 1st, 2nd, 3rd, and 4th reels to the right, thus discarding the 5th reel, and will respin the 1st reel.

On a random basis the Male Character will shoot with his gun and leave Wild symbols on the reels.

RESPIN:

On a random basis after a non-winning spin the Red Robot will cast a Free Respin.
