FEATURES

Wheel of Fortune

A full table activates the Wheel of Fortune, which contains multipliers and the MAXI Prize. The particular multipliers will be applied to the win of the full table-win which triggered the Wheel of Fortune, whereby the MAXI Prize will be added to the pay line wins.

Respin

If two reels hold the same symbols but no winning pay line is present, a Respin will occur in order to grant a second chance.

Wild Feature

A Wild icon can substitute for all other symbols. Wilds will expand on the whole reel.
