

BIG MAX SUPER PEARLS

Big Max Super Pearls

Prepare for an electrifying adventure with **Big Max Super Pearls**, a classic fruity video slot that comes with an exciting twist! This latest addition to SwinttPremium's collection features 50 paylines, high volatility, and a max win multiplier of **3,000 x your bet**.

At the heart of the game is the Free Spins feature, which takes the spotlight. When activated, you'll notice a unique and engaging twist, Scatter symbols that remain fixed to the reels for the entire duration of the feature. This feature significantly boosts your chances of landing impressive wins. But that's not all, keep your eyes peeled for Special Scatters that have the power to unlock thrilling surprises, adding an extra layer of excitement to your gameplay.

Join Big Max in his quest for Super Pearls and step into a world where hidden treasures await in **Big Max Super Pearls!**

FEATURES

Free Spins

6 or more Scatter symbols trigger Free Spins, which will be played on 6 rows. At the beginning of the Free Spins, only the lowest 3 Rows pays. Scatters are sticky during the Free Spins. When a new Scatter lands on reels, the Free Spins Counter resets itself. The feature ends if all Free Spins are played or all positions are filled by neither VIP Scatter nor unopened chest.

Scatters

- **Pearl Scatter:** During the Free Spins pearls transform and reveal a random value, which will add to the win.
- **Arrow Scatter:** Will activate the lowest non-activated row, the new row will also pay now. After activation, the Adding Scatter will turn to an empty field.
- **Plus Scatter:** This Scatter will reset the counter by 1, each new Scatter will reset the remaining Free Spins Counter to the new reset-counter. After activation, the Adding Scatter will turn to a normal pearl.
- **Adding Scatter:** Will add some winnings to up to 5 pearls. After activation, the Adding Scatter will turn to a normal pearl.
- **Multiply Scatter:** Will multiply some pearls x2. This will then turn to a normal pearl.
- **Summerize Scatter:** This will summarize all pearls, this value will be added to the win.
- **Chest Scatter:** If the Chest Scatter is activated, after 10 spins it will open, where a jackpot will be received.
