Cheshire's Luck

Step into the enigmatic world of **Cheshire's Luck**, the first sensation from Twin Win Games by **SwinttStudios**, where the mysterious grin of the Cheshire Cat beckons players into a realm of intrigue and boundless fortune. Amidst a backdrop of mystical wonder, where lucky creatures like the snail and spider roam, and potent magic potions await discovery.

As players delve deeper into the enchanting landscape of **Cheshire's Luck**, they'll encounter an array of captivating features designed to elevate their gaming experience to new heights. The Wild Symbol, when landing on reel 2, 3, or 4, triggers the **Cheshire Respin**, wherein the Wild Symbols expand to cover the entire reel.

Brace yourself for an exhilarating journey where the Cheshire Cat reigns supreme, promising thrills, untold treasures with every spin in **Cheshire's Luck!**

FEATURES

Cheshire Respin

The Wild Symbol on reel 2,3 or 4 triggers the Cheshire Respin. The Wild Symbols expand to cover the entire reel. Any Wild winning combinations from the original spin are awarded first then the Respin is triggered with the Expanded Wild locked. Any new Wilds that land on the aforementioned reels during a Respin will trigger another Respin, All Expanded Wilds from previous Respins will also be locked.
