CLONING WILDS :

Scatters with different colors clone themselves on a random number of neighboring positions and turn into Wilds.

Each color forms a different pattern: Blue clones horizontally. Green clones vertically. And red clones in a "+" shape.

FREE SPINS :

Filling the progress bar in Base Game triggers 8 Free Spins.

The infinite progress bar in Free Spins gives you the chance to unlock a new MULTIPLIER section of the bar with each cascade and respin.
