Swintt

Horus Treasure

Get ready to unearth ancient riches in Horus Treasure, the latest Egyptian-themed slot game from SwinttPremium. This visually stunning game transports players to a mystical world filled with pharaohs, and golden treasures with a maximum win multiplier of 6,000x your bet.

Horus Treasure stands out with its unique Quadspin mechanic when a win equals or exceeds 4 times the initial bet, Quadspin activates, splitting the game into four views. This thrilling feature lets players multiply their wins by up to 4 times in one round.

Embark on a shining quest in Horus Treasure, where every spin holds the key to unlocking the boundless riches of ancient Egypt!

Features

Quadspin:
After every win that meets or exceeds 4x bet, that win can be converted into Quadspins. Every Quadspin is played on 4 bets and 4 Gameviews simultaneously, allowing 4x the wins. The player can select how much of the win is to be used and if that exceeds 4x bet, the relation is used as a multiplier on each win. A maximum of 50 Quadspin rounds can be acquired in one set, while a maximum of 5 Quadspin sets are allowed in a series.

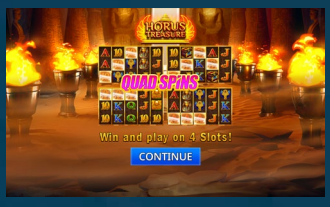

Mystery Symbol:
The Mystery Symbol appears during Quadspin mode, collecting a random symbol for each Gameview it appears on and replacing all Mystery Symbols on that Gameview.
