

Jade Princess

Get ready to enter a mystical world of ancient Chinese royalty with Swintt's premium video slot, **Jade Princess**! This game is packed with excitement and offers players the chance to win big with a maximum payout of **1,200 x the bet**.

Players will encounter a variety of symbols including Lucky Chinese coin, Chinese Bowls, and Hand Fans as well as traditional playing card symbols. However, it's the Dragon and Princess symbols that you really want to land, as they offer the highest payouts in a payline.

But wait, there's more! The Free Spins feature is triggered by landing 3 Scatter symbols, which awards 12 Free Spins. Any Wild symbols that land during the Free Spins will become sticky and remain in place for the duration of the feature. This can lead to some huge payouts as more and more Wilds stack up on the reels.

Don't miss your chance to spin the reels and potentially hit it big with **Jade Princess**!
