

Max the Winner Multi

Join Max the Squirrel in Max the Winner Multi, the latest vibrant release from SwinttPremium! Set in a lush springtime paradise filled with blooming flowers, fluttering butterflies, and the fresh energy of nature, this game offers the chance to win up to 3,065x your bet.

What makes Max the Winner Multi truly exciting is its Multiplier feature, designed to keep the thrill going. After every non-winning spin, the multiplier increases by 1, building anticipation with each round.

Spin the reels, embrace the beauty of spring, and watch those multipliers grow with Max the Winner Multi!

Features

Multiplier

Every non-winning round increases the multiplier by 1. After a win, the multiplier is reset to 1. The multiplier depends on the bet and a win is multiplied by the current multiplier.
