

## Mille Due Mille

Dice into the excitement of this fast-paced and exciting dice game, Mille Due Mille!

Players can choose from 27 unique betting options on the outcome of four dice rolled together, making every roll an exhilarating mix of chance and strategy. The excitement doesn't end there, each win triggers the roll of a special green die that only lands on 1 or 2. When that green die shows a 2, winnings are doubled instantly. The rewards are big, up to 2000x the bet!

Are you ready to roll, bet, and win like never before in Mille Due Mille?
