May the trail of the **Path of Dragons** grant you blazing wins!

FEATURES

Dragon Path Feature:

When the Dragon Scatters land on the reels, the dragons create trails from any corner of the reels having **Wild** symbols replaced on positions through their paths. Three Dragon Scatters also trigger 8 Free Spins.

If two dragon trails intersect at any particular position in the reels a multiplier will be added at that position. If the third trail dragon intersects at the same position, an additional multiplier is awarded on that position.

Dragon Scatters:

Scatters appear in reels 2,3,4 in the base game. When the dragon scatters land, the dragon trails randomly with high-value symbols replaced on their paths.

If two dragon trails intersect at any particular position in the reels the symbols will be transformed into **Wild** symbols. If the third trail dragon intersects at the same position, a multiplier is awarded on that position.
