The adventure awaits, so step into the realm of **Capsule Treasure Thor's Strike** and let the journey begin!

## FEATURES

### Capsule Treasure:

If 3 or more Capsule Treasure symbols are collected, the Capsule Treasure will be triggered. There are 6 different types of Capsule Toys, prizes starting from x2 up until x1000 the Total Bet will be won. The result of the dispensed Capsule Toy depends on which Rank the player is currently at, and the ranking increases every time a multicoloured Capsule Toy is collected.

- Red Capsule Toy: Prizes between x2 and x9 the Total Bet will be won.
- Grey Capsule Toy: Prizes between x10 and x45 the Total Bet will be won.
- Gold Capsule Toy: Prizes between x50 and x90 the Total Bet will be won.
- Diamond Capsule Toy: Prizes between x100 and x1000 the Total Bet will be won.
- Green Capsule Toy: 3,5,7 or 10 Capsule Treasure retriggers will be won.
- Multicoloured Capsule Toy: Current Rank will increase by 1. The Rank could go up to 4 at maximum.

### Thor's Strike Feature:

The Thor's Strike Feature may occur after a Mjolnir Symbol lands on the reel. After this is triggered, the low value symbols will be removed from the reels and only higher value symbols will be added from the top to fill up the empty spaces after the completion of the feature.

### Cascading Feature:

Cascading Feature will be triggered when there are winning combinations on the reels. All winning combinations are removed from the reel, and new symbols are added from the top to fill up the empty spaces after the completion of the feature. If an additional winning combination is created afterwards, this flow will be repeated.
