

## Treasures of Rome

Embark on a cultural journey through the streets of Rome with **Treasures of Rome**, a new video slot in the SwinttPremium portfolio. With 30 lines and low volatility, this game offers the chance of frequent wins with a maximum multiplier of **450 x bet**.

The star of the show in Treasures of Rome is the enigmatic **Mystery Diamonds** feature, which introduces three exhilarating bonuses: Expanding Reels, x2 Wilds and Random Wilds to enhance your gameplay and boost your chances of hitting winning combinations.

In addition to the exciting Mystery Diamonds feature, players can trigger a thrilling Free Spins round. By landing three or more scatter symbols on the reels, you can unlock at least eight Free Spins, taking your gameplay to new heights of excitement and potential rewards.

The **Treasures of Rome** await you – it's time to claim your share!

## FEATURES

### Mystery Diamonds:

In basegame, the mystery diamonds trigger up to 3 coloured diamonds, when landing 3 or more diamonds of the same colour a corresponding Respin will be triggered, activating the particular feature. The 3 possible features are Expanding Reels, x2 Wild and Random Wild. During Free Spins, only 1 coloured diamond is needed to activate the feature. Diamonds appear only on Reel 2 and 4

- Expanding Reel: Doubles the number of rows and increases the number of paylines to 75 lines
- X2 Wilds: All Wilds on the reels transform to x2 Wilds
- Random Wild: 5 to 10 positions on reels transform to Wilds

### Free Spins:

3 or more Scatters trigger at least 8 Free Spins. Additional Free Spins can be won by landing a Scatter during the Free Spins session. Free Spins are played with the bet of the last regular round.
