

## Dynamite Boost

Embark on a thrilling gold-hunting adventure with SwinttSelect's latest game, **Dynamite Boost**. Set against the backdrop of a bustling gold mine, this high-energy video slot features **243 Ways to Win**, promising an explosive experience with every spin.

**Dynamite Boost** introduces the innovative **Booster Reels**, a game-changing feature that can randomly award different bonuses to a single symbol, a specific reel, or even all the reels at once. But the excitement doesn't stop there. Keep your eyes peeled for the **Free Spins Feature**, where Scatter symbols reveal numbers ranging from 3 to 20, these then will be totalled and the total number of Free Spins will be awarded.

Unearth explosive wins and strike gold in **Dynamite Boost**, where every spin holds the promise of a lucrative gold rush!

## FEATURES

### Booster Reels

The **Booster Reel** is available in both the Base Game and Free Game, the Boosters awarded in the **Booster Reel** can effect a single symbol, a single reel or all reels.

Types of Boosters:

- Normal Symbols: Some positions contain normal symbols, they complete normal wins.
- Full Respin: Awards 1 to 5 Respins with the current boosters
- Respin: Respins a single reel from 1 to 5 times with the current boosters
- Expanding Wild: Makes the reel below the Booster icon Wild
- Wild: Creates a 2x2 Mega Wild icon in the reels
- Multiplier: Adds a multiplier to the total won. Multipliers can be 2x, 3x or 5x

### Free Spins

The Scatter symbols in the reel will display a number between 3 and 20. If 3 or more are awarded, they will be totalled and awarded the number of Free Spins.
